

Yuzhnoye SDO's Anti-Corruption Position Statement

Yuzhnoye SDO supports the Anti-Corruption Policy of Ukraine that aimed at creating the efficient state system for detecting and eliminating corrupt practices. According to the Law of Ukraine No.1700-VII, Oct. 14, 2014 "On prevention corruption" Yuzhnoye SDO has drawn up and approved the Anti-Corruption Program to adopt its own the Anti-Corruption Policy.

Therefore, Yuzhnoye SDO considers it necessary to announce the following:

1. Yuzhnoye SDO has a firm belief that corrupt practices conducted during public purchase, production or any other activities are inadmissible. It is unacceptable to make direct or indirect suggestions, to commit blackmail, to give or to accept bribes. To attack corruption strongly means that no one who acts for or on behalf of Yuzhnoye SDO can be involved in corrupt practices, neither personally nor through a third party.
2. Should Yuzhnoye SDO find out corruption offences and/or have suspicions as to who conducts them, impartial inquiry will be held in despite of the scope and the form of offence, or the person who committed it. To defend current legislation, organizational and administrative, and working documents as well, Yuzhnoye SDO implements all legal and effective measures and procedures.
3. Yuzhnoye SDO supports and insures legal assistance and safety an employee who informed us of corruption-related acts. The employee's application concerning the offence will not cause deleterious consequences to his / her work activities.
4. Yuzhnoye SDO aspires to cooperate with those business partners who shares the same values presented in the Position Statement.
To implement declared policy, Yuzhnoye SDO always draws its contractors' attention to requirements stipulated in the Position Statement, appreciates their reputation and their procedures carried out against corrupt practices. An Anti-Corruption Clause is included in every Yuzhnoye SDO's contract.
5. Yuzhnoye SDO finds it unacceptable and inadmissible to achieve business goals through corrupt practices. It is acceptable to make business gifts and representation expenses if it is not contrary to current Ukrainian law, Yuzhnoye SDO's working, organizational and administrative documents, and principles of civil society, but it is not acceptable if its goal is to influence on public officials' and authorities' decision.
6. Yuzhnoye SDO staff and other persons can send confidential or anonymous anti-corruption messages to the following address: AntycorYu@ukr.net (helpline email) or turn to the Anti-Corruption Officer personally,
